Go4cork's Eco-Design: **Sustainable Evolution**

Aligned with Corticeira Amorim's sustainability and carbon footprint targets, Go4cork has invested in eco-design of its product range.

Besides introducing new product solutions, we have eliminated packaging components and developed an innovative multipurpose box, thereby reducing our environmental impact and improving practicability in stores.

Driving Sustainability: Partnering for a Greener Future

Amorim Cork Solutions is more than just committed to the environment; we're focused on helping leading retailers attain their sustainability goals faster.

Forging a partnership that drives eco-consciousness

Our commitment extends beyond products to transformative packaging solutions. Meet our new Go4Cork multipurpose box.

Multipurpose box

- Boxes available in two sizes only, tailored to our products and shelf space to minimize waste and optimize costs.
- → Display box for added product protection.
- → Flexible customization with product detail adhesive labels.

Multipurpose box 240x300 mm

Multipurpose box 330x300 mm

Transport mode

☐ Easy to transport

Zeasy to unpack
Just remove the top box

Easy shelf restocking Save valuable time for store staff

Display mode

∀ Visibility and Protection

Your product takes centre-stage, highlighted by the display mode, while remaining securely protected.

Our box is not just functional; it's designed with an attractive aesthetic, appealing to the consumer's eye.

Shelf configurations

Customized shelf setup: tailored to your product range.

Mix and match products as you please. Craft a captivating in-store green spot. Highlight the fact that the products are made from natural and recycled materials, as well as your commitment to a sustainable future.

New products

Discover our latest collection – a fusion of Home, Office & Leisure Goods products.

Innovative additions, including exciting new products now available in the range, designed to elevate your spaces.
